2. The Mumb. President now requests formal orders on this Resolution

S 3. Under paragraph 4 of the G O referred to, the amounts spent for improving the Devanj Market and the Market Square should be treated as an advance from the Improvement Board Funds, the question of the apportionment of the charges between the Board and the Mumb. Council being considered at the end of three years

4 The construction and maintenance of Markets is an obligatory function of a Mumb. Council (vide Sec 54 Cl 2 of the Mumb. Reg^n) nevertheless, in view of the heavy outlay involved, only a portion of it is probably intended to be debited to Mumb. Funds The question is also open & reserved for consideration at the end of 3 years It seems therefore too premature for the Mumb. Council to make up their minds one way or the other in connection herewith It may be entitled in this connection, that the Construction or Maintenance of Markets comes within the Category of

Renes draft

Sd by mr A V Ramanathan

Sir,

Adverting to your letter No 28 dated the 3rd August 1915, forwarding through the Deputy Commissioner, Mysore District, a copy of the Resolution passed by the Municipal Council in the matter of meeting from Municipal Funds a portion of the cost of the improvements to the market and the square, I am directed to state that Government regret they cannot acquiesce in the views of the Municipal Council As Mysore is the Capital of the State and ~~as such~~, attracts large concourses of people from all parts on important festive and other occasions, special allotments are made from the General Revenues with a view to ~~effect~~ improvements in the City. Some of these improvements include works which would otherwise have to be necessarily undertaken at the cost of the Municipality The Government, Therefore expect the Municipality to supplement their efforts in this direction by ~~undertaking~~ meeting a due share of ~~the~~ such expenditure

H W S 17/4

The question, however, is not to be taken as the final order; one for immediate decision, but in the circumstances stated above, Government trust that the Municipal Council will reconsider the matter & their attitude.
